This card from the early 20th century carried greetings for Mothering Sunday, which was distinct from the modern Mother's Day. Mothering Sunday began in England as an explicitly religious event of the 16th Century, with no connection to mothers at all. The word "mothering" referred to the "mother church", which is to say the main church or cathedral of the region. It became a tradition that, on the fourth Sunday of Lent, people would return to their mother church for a special service.

Australasian Picture Postcard Challenge

NEWCASTLE NATIONAL STAMP & COIN EXPO

The Newcastle Philatelic Society are to be congratulated on the holding of yet another very successful Half National Stamp & Coin Exhibition. Held at the Newcastle Showgrounds Exhibition Centre over the weekend of Fri 27 to Sun 29 May, it attracted an estimated 1,200 plus attendance to see the 400 plus frames on display plus patronise the many dealers stands which amounted to over 20.

The venue was excellent for a national exhibition, spacious with good lighting and onsite parking. The exhibition incorporated the Australasian Picture Postcard Challenge, the Royal Philatelic Challenge, exhibits on a Qantas theme to celebrate their Centenary plus many other exhibits in the classes on show. Full results can be found on the APF website.

Five teams entered the Postcard Challenge, ACT, NSW, WA, SA and NZ. The points score were 300 to 340. The winning team this years was from New Zealand. Congratulations to the members from the South Australian Team, Pauline Edwards for her Appliqued Materials, (Silver), David Figg and Hoboken 1900 Dock Fires (Vermeil) both 1 frame entries. Alma Downes for A Cornish Tour (Vermeil) and Jenny Roland for 1900 Paris Exhibition (Vermeil) and both of these were 8 frame entries. Well done for representing SA, congratulations on your results, this year SA came in 5th with 300 points.

Congratulations to the team members, and well done to New Zealand.

The Royal Philatelic Society of London won the Royal Challenge.

The Palmares Dinner was held at Wallsend Diggers Club and a good time was had by all. South Australians in attendance were Nigel Carter (Jury Apprentice), Tony Presgrave (APF Frames Officer), David & Dianne Figg, Jenny Roland & Alma Downes.

May Meeting—Club competition

This year we received 2 entries into our club competition, 4 of our members were in Newcastle and Covid had another member in isolation. The voting was by popular vote.

The two entries received were excellent. The first was Byrd's first Antarctic Expedition and the 2nd was Picture Postcards of Semaphore.

Congratulations to Ron Ritter for his Postcards of Semaphore. The Postcard Society is now paying for Ron to have his exhibit entered into ANPEX. Congratulations Ron and well done.

June Meeting—David Figgs "Works in Progress"

An inspiring collection of postcards covering many topics. From a 2 frame collection from F W Niven of advertising cards of Adelaide with some in colour to The Melbourne Exhibition building, built in 1881, listed on the Heritage List and still standing today. Many organizations have used the building for various functions. Then you have the City of Churches, with many of the old churches not existing any more. You will see a wedding scene outside a North Adelaide Church as well as St Peters Little Chapel
